Hi Donna and Peter; My mother was Mary Park Kim. I remember as a kid visiting your house especially around Christmas because that was when we got your mom's special dark fruitcake. I had her recipe written out somewhere but I looked for it and couldn't locate it. I never made it because it took SO many ingredients. But that was the BEST fruitcake I have ever had! Your mom was always so funny and your dad was also so wonderful to us when we saw him ushering at Varsity Theater. How many people know movie theater ushers personally! My brother John Kim sent us the brief obituary and I found her picture carrying one of her amazing cakes! She was a special lady and lived a long life. Karen Kim Nagata Redmond, WA

Hi, Donna and Peter, I was saddened when I heard about your mom's passing. I remember her as a caring, feisty woman who spoke what she thought (kind of like my mom). I am sure that you and your families will miss her. However, she is in a better place with your dad and friends. She lived a long and good life. Ruth Thom Hirai

My sincere condolences to Ruth's dear family and caregivers. May they look to Jehovah God for support in their time of need, for He is close to the brokenhearted and saves those who are crushed in spirit. { Psalms 34:18 and jw.org }
