I am so sorry to hear that Richard passed away. We met in Mexico in the early 80's, when he was moving to Hawaii. Rich was a wonderful person, I remember him always smiling. The most sincere condolences to the Pafundi family from a mexican friend. Maru Ruiz, 19 September 2014

I was very surprised to hear that Rich had passed. I counted Rich as one of my good friends and because of his warmth, kindness and compassion, trusted him implicitly. He was a friend that I could share life stories with and always count on a honest and thoughtful reply. True Met's fan and good friend. I'll miss him...My condolences to Miyoung and the whole family.

I am so sad to hear of Richards passing which I learned doing an Internet search to make contact with him after many years. Miyoung and Richard were so kind to me and my wife and my young boy in 1990 when we moved to Hawaii and shared many a good Barbaque with his family on Portlock Road. We now live in Europe but in 2001 we met up again briefly. Richard was a lovely man with a big heart which he shared willingly. I am so happy to have known him. My family extends our deepest belated condolences to Miyoung and his children. Sincerely Alan & family

So sorry to learn of Rich's passing. We first met during our very humble beginnings in Hawaii, before he was licensed. I remember cruising in his first new convertible. I was very proud of his professional accomplishments, but most proud, as I know he was, of his building a strong, loving family. He will be missed by many.

I was deeply shocked and saddened when I learned that Rich died. He was a wonderful friend. I first met him before he was married when we had offices next to one another in the same suite at Kawaiahao Plaza. Rich was warm, funny, and a wonderful human being. I loved him like a brother. My deepest condolences to you, Miyoung, and to Richard, Paul and Kimberly., My wife and I will be off island from July 1st til July 18th and will not be able to attend the visitation, mass or burial. I tried to call you on the phone number I always talked to Rich on and the mail box was full. I'll try to reach you when I return. If I can help in any way, please don't hesitate to call me (254-5554). May he rest in peace. Bim, Sunye and Christina Walker

I worked with Miyoung many years ago, and knowing her, I know Mr Pafundi, with her and his family and friends beside him, lived, laughed and loved in faith, hope, and kindness. RIP Mr Pafundi Malcolm and the guys and gals at immigration
