I got to know Aunty Patty Burgo pretty well, my wife and I live with my mother in law and also Aunty Patty before she entered hospice. Aunty Patty was very kind, loving and generous to me. From buying breakfast, to making sure the right trash bins were out and just see how my day was at my jobs, made me feel like I was part of the family. The times she spent with us at the dinner table or even working in the yard when she could was priceless. Aunty Patty never complained about the pain she was in. Aunty Patty lived her life on her own terms, and was a very strong and independent woman. She loved the Lord, her family, animals and flowers. Thank you Aunty Patty for the love and kindness you showed to me. Love Herman aka Kepani Oh.....trash is done and Lianidis is healing well from her surgery and tomorrow guess I'll eat Beef Stew, Rice & Poi from Kehau's Kitchen and some of that Banana Bread for dessert. Bless you too Aunty Patty
