To Dave and the entire Tom family and other relatives of Nancy - my deepest condolences for your loss. All of my memories of Nancy are of her very giving nature - and sharp wit. While I have a dozen stories - by far my favorite is Nancy watching me eat with chopsticks - looking at me while shaking her head saying - "I don't understand how you don't starve to death the way you use those!" May your memories of your mother, sister, aunt and friend be just as joyous.
