PS

Paulette Sylvester lit a candle in honor of Charles .

Charlie is one of the most generous people I know. You could not mention anything that you didn't find he had it for you - in spades. I can tell you that I have a pasta maker with 32 dyes that will make any pasta shape or size. In opening your gift Charlie would always be there smiling to see your reaction to his generosity. I miss my brother Charlie and will always love and treasure his kindness and good fun! Love, Paulette
