I'm sorry to hear about Carl's passing in December 2016. I did not know of it until today, March 12, 2017. I was going to call and wish him a happy 80th birthday, but it is not to happen. I'll wish him a happy birthday in memory of him anyway. I was his second wife, married in 1971 to 1984. I always thought about him and wondered how he was, hopefully, living a happy life. I also hope he died a peaceful death and did not suffer. Blessing to his family and to his wife. Sincerely yours, Joan L. Staley
