Aj Nakamura lit a candle in honor of Clara.

My Dear Mom... Thank you for the many sacrifices you made to make my life the best I could ever hope for. You were the perfect Mom... loved us in a way no other could and raised us with values we will live by for always. You showed us how to be a better person by being who you were. Dad may have been a Jack of all trades but you were equally matched in your own motherly ways. I miss our talks and having lunch with you. I miss playing hanafuda with you even if you won all the time. I never thought the day would come when you'd no longer be here with us. I wanted so much to be with you more but sadly, accidents happen and it was finally your time to be with Dad. I love you so much Mom and will miss you everyday but your love and goodness will always remain in my heart.
