To those who loved her, she was a sweet island breeze with an easy laugh, a ready smile, and a firm shoulder to lean on. May the choirs of angels come to greet her...

Baxter! Trella here... missing your smile and laughter! You seemed to appreciate my warped sense of humor my 'gourd coz!"Thank you so much for being there for me, and being my friend.We shared a lot of memories in high school, some in our college years, and past, good times, good times.I am really sad my last trip to HI overlapped with your trip to WA. Then Covid happened.Life is not fair...my deepest condolences to Aunty T, Cindy and the rest of your familia.I hope to see you on the otherside some day!

Dear Bev, I am shocked and saddened to hear that you've left us. Excited and happy that you are dwelling in Our Father's House, happy and whole! No pain, no sadness, only love and joy like no one has ever known! Your heart always was your best feature that was apparent in everything you did! I wish we got together after high school, but life always gets in the way, yeah? So we'll have to make it a "date" to meet up in heaven, keep some clouds warm for us, and comfort the hearts of your family, especially your mom, no parent should have to bury their baby. Hugs friend, until we meet again. 😊

☐❤️ Love always, Theresa Yee SFHS '88
