I worked as a social worker at Catholic Charities from 1994 to 1996. I got to know Diane as my boss. She was always strong as a leader and guided our organization well. What stood out the most for me was that she believed in me and supported me when I needed it. I was young and inexperienced, but her kindness and belief in me made a lasting impression. I am so thankful I got to know and work with Diane. My condolence to the family. I look forward to a great reunion in heaven.
