Dennis Anthony Cacace

JUN 16, 1950 - MAY 10, 2023

It is with great sadness that we announce the passing of our beloved Dennis Anthony Cacace at the age of 72 on May 10th, 2023. Dennis was a proud Air Force veteran, husband to his wife Annette, and loving father of two sons, Daniel and Robert. Born to a family of 6 children, Dennis loved fishing and was a gifted artist through mediums such as photography, mixed media, and bonsai. He was a fighter in every sense of the word, but kept a deep kindness and empathetic nature within. His humor, charm, and whole being will forever be missed.

To a loving brother. I'd forgotten about this childhood photo until you sent it to me several years ago, reminding me of the good times and fond memories that we had. It depicts the classic you - full of energy and ready to go. I had to be careful and not turn my back on you because you were always ready for a wrestling match. And though you were a pain in my butt at times back then, and you were often quick to temper and we may have had our moments over the years, you were equally as quick to help and give as needed, as evidenced by the fact that you were always the first one to help dad with the yard work (even at the early ages of 6 & 7) while I would try to run and hide; and when one of our sisters became ill, you were the one to suggest the rest of us chip in to send her outside the country for an experimental treatment. I will miss you brother, and you will always be a part of my daily thoughts and prayers until we meet again, Alan

I can still remember the day my teenage brother came home with a tiny tiger kitten tucked in his jacket that he had found in the street. That was a sample of his caring nature. I love you Dennis and look forward to our Family Reunion in Heaven someday soon!

Oh my brother Dennis..... he was an artist from day one, being blessed with creative talents in his drawings and paintings. This creativity he also put to good use with his many bonzai plants. He's played around with photography, remote cars, boating, and fishing. The more sentimental side of Dennis, appreciated watching the sun rise over the Koolaus from his truck , while parked at a dog park in Mililani. He was a giver, who bought gifts freely, for so many people. He had an excitement for life, with his own expectations for it, but life let him all too often.. In many ways, he was a fighter till the end. I will miss him always.
