Anna hired me as a service rep in 1971. She was a character - based so many of her judgements & decisions on astrology. She commented during my interview that she noticed I was a Gemini and said, "Geminis are messy. Are you messy?" I said, "On the contrary, I'm neat to a fault. I'm Portuguese!" She was such a capable supervisor and manager and had the greatest sense of humor. She will be missed in this world. My sincere condolences to the family. May Anna rest in peace and love. With much Aloha, Patty Shimomoto
