Ellarene is such a delightful person! We always have a great time with her at family gatherings or when we visit her at the lei stand. She's incredibly friendly and welcoming, and she can instantly make anyone feel like a friend. I thought her name was Irene for a long time, but I'm glad I finally got it right. She'll be deeply missed.

*Towards this moment I have come,  
 Towards this moment I will go.  
 Like a keepsake held fast  
 Against the beating of my heart,  
 Like a graying mist that lifts  
 Unveiling my path and destination,  
 My point of return,  
 With neither friend nor foe to contend with,  
 With neither loved nor unloved,  
 Known or unknown to portend with,  
 The weight that bears my soul is light,  
 The sound which reverberates throughout my body is true:  
 Earthward, skyward, both have crossed and envelopes me,  
 Now lead me forwards as equals.  
 If there are regrets, let tears flow, but not for this moment,  
 If there are fears, accept them with forbearance, but not for this moment,  
 The depth of all hearts lies with the One,  
 The sum of all souls resides in the Many,  
 It is for the One, for the Many that I have come,  
 It is towards this moment  
 I have returned.*
