Oh Di, I have been thinking of you and how you would be feenlig with Jade's anniversary. I have now just read your tribute and am sobbing at your loss of such a sweet beautiful girl. Time does help heal but sometimes it is know how long that time will be before you ever feel able to mention her name without the tears being at the back of your words. I still cant quite talk about Max and he has been gone 15months now. There will only be one Jade BUT at least you can see some of her special qualities in her grand-daughter, which I know is of some help to you. Thinking of you and much loveHeidi##imported-begin##Erik##imported-end##

Miss Suiso was my first grade(?) teacher at Kahala School. I'll never forget her face. She was a sweet young woman who married after being my teacher. As my kids went through Kahala School I believe she was still there. I know I'd seen her after becoming a parent of Kahala School children. I still have my class photo all these years later. You influenced many young lives. Aloha Oe##imported-begin##kathryn h.##imported-end##
