My heart goes out to John and Sean. You both were the center of her universe.I was blessed to have known Cheryl for the past 21 years. She came to see me every month for all those years and we had many wonderful talks and shared many laughs and tears (usually mine!) while I did her nails. We talked about life, love, kids, work, the world in general. She counseled and comforted me with the wisest words of anyone I have ever known with all of my life struggles. She helped me when I was diagnosed with breast cancer with wisdom gained from her own experiences. She was my friend and I will miss her and our times together so much. Even with all she was suffering with, she still took the time to call me and remind me that life is too short; don't put things off. She was truly a gift from God and now He has called her home to continue her blessings from above. Be at peace my special friend. Until we meet again...Aloha oe...##imported-begin##Lisa Toriki##imported-end##

All that we love deeply, becomes a part of us. Helen Keller I will always have a special place in my heart for Cheryl. We have so many memories together, my fondest is Christmas. We celebrated and decorated together for nearly two decades. We would reminisce every year to "White Christmas." I have a favorite song from a Broadway musical, "Wicked." The lyrics from the song "For Good," best express my feelings for my long time friend, Cheryl, you will always be with me..."I've heard it said, That people come into our lives for a reason, Bringing something we must learn, And we are led, To those who help us most to grow, If we let them, And we help them in return, Well, I don't know if I believe that's true, But I know I'm who I am today, Because I knew you...It well may be, That we will never meet again, In this lifetime, So let me say before we part, So much of me, Is made from what I learned from you, You'll be with me, Like a hand print on my heart, And now whatever way our stories end, I know you have re-written mine, By being my friend...Because I knew you... I have been changed for good...Aloha, with love, your friend, Frank##imported-begin##Frank Leake##imported-end##
