Dear Family Fujikawa, My deepest condolences for the loss of your beloved husband and father. Larry & I were colleagues at Bank of Hawaii for many years. We weren't in the same department but our paths would cross many times at the Head Office and in more recent years wherever retirees go to enjoy life. I remember Larry as congenial, always with a smile and a kind word. A true gentleman first and a good banker. I join his many co-workers and friends in bidding him a fond Aloha. Dear Judy: I am so sorry for the loss of Larry. I know how much he was a part of your life. I can picture him setting up your tent for craft fairs and helping you set up and then coming later to put everything away. That's just one of the things he did for you. I am sure he was there in everything you did. It will be lonesome but you have your family and friends to be there for you. Take care and keep healthy. Sincerely, Helene###imported-begin###Helene Horimoto###imported-end###
