“ One more thing. In my opinion that there are numerous travel insurance internet sites of respected companies that permit you to enter holiday details and acquire you the estimates. You can also purchase your international travel insurance policy on internet by using your current credit card. Everything you should do would be to enter the travel details and you can begin to see the plans side-by-side. Merely find the program that suits your financial budget and needs and use your bank credit card to buy the idea. Travel insurance on the internet is a good way to take a look for a dependable company regarding international travel cover. Thanks for revealing your ideas.

“ Dear beloved Wilfred, Thank you for entralling me with the world 52 years ago when I was 19 years old. I was honored that you, Wilfred, chaired the 1960 Chinese Chamber of Commerce Narcissus Queen Contest. You escorted my court, members, and me for 8 weeks on the Narcissus Goodwill Tour, which has forever impacted my life and teaching career. Visiting 20 cities across the U.S., Mexico and Canada was flawless, due to your great organization of a multitude of events. I am extremely grateful for your trust, intelligence, kindness, and unwavering friendship. Confucius said a superb gentleman is like an orchid or lan fa. The orchid is the emblem of love, beauty, fragrance, and refinement. Although simple and small, its fragrance permeates throughout a room. The orchid's exquisite characteristics is emblematic of a perfect or superior man. Wilfred, you are that orchid, a perfect or superior man. Heartfelt Aloha and Blessings, Cecilia Ching Doo and family

“ Wilford Pang was very kind to me when I lived at the Marco Polo apartment building. He lead a group in Qigong; which I appreciated. I believe his exquisite style came from his ballroom dancing. Always so graceful in his movements. His healthy lifestyle and generous personality influenced many and touched my heart. He will be remembered well and missed always. I will light a candle for him also on the 14th! Aloha, MaryAlice
